MODERN TAKE ON A MUCH-LOVED MATERIAL

Our Cotto tiles and bricks offer a true sense of history and authentic craftsmanship.

Cotto Zellige and Glazed Tiles are hand cut for precision by skilled artisans and offer a unique option for decorative walling accents. Featuring beautiful, natural variations in tactility and colour, these tiles feature a wonderfully unique translucent glaze.

Cotto Bricks offer a more textured and tactile finish. Hand-made from clay and kiln-fired, no two bricks are the same, creating an authentic, aged finish.
